STATEMENT OF THE TERMS OF ADMISSION, COURSE OF STUDY, &c.

TERMS OF ADMISSION.

For admission to the Freshman Class, candidates are examined in Andrews and Stoddard's Latin Grammar, Cicero's Select Orations, Virgil, Sallust, Greek Grammar, Jacob's Greek Reader or an equivalent, Latin Prosody, Writing Latin, Arithmetic and Geography.

To insure a correct pronunciation of Latin, candidates should early be made familiar with the rules contained, under the article "Orthoepy," in the Grammar. A particular attention to Latin Prosody and Scanning, in connection with the study of Virgil, is also regarded as important. For writing Latin the use of Andrews's Latin Exercises is recommended.

For admission to an advanced standing, candidates, in addition to the requisitions for admission to the Freshman Class, must have attended to the several studies of the Class which they propose to join. Every student admitted to an advanced standing, (with the exception of those who come from other Colleges,) is required to pay a fee of $5,00, if he enter after the expiration of the fall term of the Freshman year; and of $10,00, if after the expiration of the fall term of the Sophomore year.

All candidates for admission to this College, must bring a certificate of good moral character; and, if from another College, of their regular dismission and good standing. When a young man has been examined and admitted to College, he is required to attend the prescribed exercises, and is subject to the laws of the Institution.

During this term, all those students who are not excused for the purpose of teaching, and not actually engaged in that employment are required to be present, and attend on two exercises, either lectures or recitations each day, the Sabbath and Saturday afternoon excepted, when attendance on the usual religious exercises alone is required.

Connected with the institution there is a Charity Fund for the encouragement of literary industry, from which a few members of each Senior Class, distinguished for their attainments, and needing assistance, receive a donation.

PAYMENT OF BILLS.

At the close of the Quarter, on the third Wednesday of November, of February, of May, and of August, bills are made out, and put into the hands of the Treasurer for collection. If in any case payment is not made immediately, interest is required. And if any student suffers two bills to remain unpaid, without giving a satisfactory reason to the treasurer, it becomes his duty to report the delinquency to the Faculty, and, if upon inquiry such delinquent student fails to give satisfactory reason, for his neglect of payment, it becomes the duty of the Faculty to write to his parent or guardian, or deprive him of the privileges of the Institution.

To prevent any unnecessary expenses, as well as for other important purposes, it is recommended to parents to place their sons, especially if young, under the patronage of some gentleman in Middlebury, who will attend to the appropriation of their money, and the payment of their bills.
